

**Candidate Statement: Jason Fine**

**Candidate for Board of Directors – Esplanade by the Island HOA**

My name is Jason Fine, and I am honored to submit my candidacy for a position on the Esplanade by the Island HOA Board of Directors. At 52 years old, I bring both professional experience and a strong commitment to our community. Though I am not a full-time resident, my dedication to the well-being and success of our neighborhood is unwavering.

For the past 20 years, I have owned and operated a successful insurance agency in Arizona, where I've built a reputation for trust, efficiency, and client-centered service. Prior to that, I spent 10 years as an elementary school teacher, which taught me the value of patience, communication, and community engagement. These two distinct careers have given me a well-rounded perspective and the ability to address concerns with integrity, fairness, and respect.

I believe that my diverse background, strong work ethic, and proven leadership skills would make me a valuable asset to the HOA Board. I am confident in my ability to thoughtfully navigate challenges, listen to our members, and help foster a collaborative environment that reflects the best interests of all residents.

I look forward to the opportunity to serve and contribute to the continued success of our community. Thank you for your consideration and support.

Sincerely,

**Jason Fine**
