Letter From the Lifestyle Team

KYLA BURKITT
YOUR LIFESTYLE MANAGER

Hello Sunshine!

As we step into May and June, our community begins to glow with the unmistakable energy of Southwest Florida in early summer—a season that feels uniquely ours. The breezes off the Gulf turn warmer, the skies stretch into brilliant shades of blue, and the familiar rhythm of coastal living settles in around us. It's a time when our community truly shines, from the vibrant blooms along our walkways to the golden sunsets that paint the horizon each evening.

This time of year always feels like a fresh invitation—to reconnect, to explore, and to enjoy the beauty of our neighborhood. Morning strolls become a little brighter, afternoons by the pool a little more refreshing, and evenings on the lanai a little more peaceful. Whether you're tending to your tropical landscaping, enjoying a bike ride through the neighborhood, or planning weekend getaways to our nearby beaches, this season encourages us to slow down and savor the beauty that surrounds us.

We encourage you to take part in the activities planned for the coming months and to make the most of everything our neighborhood has to offer. As you review the upcoming activities and events on the interactive calendar, please remember to register for any you would like to attend. This helps ensure all activities are executed flawlessly, and all who sign up to attend are accommodated.

Thank you for contributing to the welcoming, vibrant atmosphere that makes Esplanade by the Islands such a special place to call home. Here's to a bright, fun, and memorable start to the summer season.

Kyla

Kyla Burkitt

YOUR LIFESTYLE MANAGER

Kyla is excited to be settling into her role at Esplanade by the Islands as the new Lifestyle Manager. Her background includes experience in hospitality, resorts, and recreation, with a strong focus on creating meaningful experiences and helping families make new, fun memories through thoughtfully planned events and activities. She began her career in her home state of Ohio working at her uncle's family resort, went on to intern at Disney World, helped grow the recreation department at Sundial Beach Resort & Spa, and most recently supported recovery operations at South Seas following Hurricane Ian.

She is passionate about fostering a warm, engaging environment where everyone feels supported, connected, and truly at home.

Outside of work, Kyla enjoys spending time with her husband, bonus son, and pets—especially her rescue cat, Oakes. She loves trips to Disney World, visiting family in the Buckeye State, reading a good book, and browsing the aisles of TJ Maxx. Other joys include Taylor Swift jam sessions with her sister, traveling to unique destinations (including a honeymoon in an ice hotel!), and any opportunity to celebrate with a sweet treat. Kyla values kindness, positivity, and genuine connection, and strives to bring that energy into everything she does.

What Kyla looks forward to most is getting to know the Members and learning what makes this community special. Her goal is to listen, collaborate, and build a Lifestyle program that reflects the interests, personalities, and traditions of the people who live here, while creating memorable experiences and contributing to a vibrant, inclusive, and joyful community.

Furry Friends

Meet Kona

LOVED BY PAUL & MARIE PICCININNI

Kona is a petite powerhouse with a big heart and an even bigger bark. Born on January 18, 2024 to a street dog in Puerto Rico, Kona's journey began with Northstar Heaven Can Wait, a nonprofit that rescues island pups and flies them to loving foster homes in New York. One look at her photo online, and her future family knew she was meant to be theirs. At just 12 weeks old and about 10 pounds, Kona arrived—adorable, spirited, and much shorter than anyone expected. With her black lab meets dachshund charm, she's been stealing hearts ever since.

Kona loves her toys, especially anything she can tug, shake, or parade proudly around the house. At the dog park, she's known for "borrowing" other dogs' balls—always returned, but never without negotiation. She's equal parts snuggly sweetheart and dramatic watchdog, once sounding the alarm at a harmless chair left out for garbage pickup.

A true foodie, Kona much prefers human cuisine to her own, with salmon ranking high on her list of favorites. She's a bit of a diva at mealtime, but her family happily experiments to keep her satisfied. As the only pet in the home, she enjoys her spoiled princess status, especially when her humans' beloved son comes to visit. Kona is happiest when her whole family is together—whether curled up in the same room or strolling side by side.

From Puerto Rico's streets to a loving home in our community, Kona's story is as heartwarming as her wagging tail. She's tiny, quirky, and completely unforgettable.
